Most of the juicy stuff has been redacted  
anyway.

Q.A. says that U.Z. has just left the C.N by  
means of rotation.

Q.A. has never ever heard of the O.T.O.

G.O. falsely holds that R.A.W. wrote a polite letter to K.T. and M.G. What he actually wrote was a novel.

—

D.P.R.K. will connect with D.P. and R.K. in order to make the payment in Pseudos. Meanwhile, W.V. says that Q.C. would advocate against the policies of B.S. and I.W. The reason may be that I.W. believes that poor E.Q. is in love with M.B. and S.I. at the same time.

N.E. wrote a letter to the U.M. asking permission to become a student of O.S. W.N. was a friend of T.U. but hates J.O. for

always bringing it up.

—

Our former employee N.W. still collaborates with E.E.

V.N. wrote a nasty letter to Z.E. trying to blackmail him.

R.I. believes J.V. stalked T.Z. and N.R. Check details soon!

—

N.F. is closely tied to the JQM, but he just left the LU for an international career.

G.N. has just destroyed U.J. and will spread the word about E.L. to the adverse citizens.

C.G. Jung has no issues whatsoever with R.U. and D.E.

—

Q.P. will begin spreading rumors about T.F. and W.X.

B.Q. knows that P.T. has leaked sensitive information to U.W.

—

Y.R. falsely holds that Y.C. was a student of R.H.

J.Y. believes in R.R. and P.U. Who doesn't?

—

Our dear Q&A will preach to the parish about S.T. and Q.E.D.

GPS is a "global" friend of P.S.

—

Q.R. has identified Dr. Z.Q. who now works for K.D. and has a secret affair with S.U.

J.I. pretends to work for N.J. who, as we know, was killed in London, Madrid, Paris and Rome in July, then in Stockholm, Prague, Liège, Athens, Copenhagen and Odessa in August. He finally died somewhat in Los Angeles, then even more in Lichtenstein and finally ended his days in Luxembourg in mid

Commençons par la considération des choses les plus communes, et que nous croyons comprendre le plus distinctement, à savoir les corps que nous touchons et que nous voyons. Je n'entends pas parler des corps en général, car ces notions générales sont d'ordinaire plus confuses, mais de quelqu'un en particulier. Prenons pour exemple ce morceau de cire qui vient d'être tiré de la ruche :

Seriously? Keeping this secret for another year while doing my TV show every week? That's never going to happen.

Just another weeweeky leaky. Its analysis of the media situation is precise, albeit brief to the point of not mentioning it; the diagrams of shady austruchian activities expel some myths we all were prone to believe in all too long.

Another timely release from Oberdada, this time without having asked building permits.

Radically mindblowing at hurricane speed with many precious schematics showing how Gondwana was colonized.
